

Workshop for Home Visitors

FSU Partners for a Healthy Baby Curricular Series

Become an even more effective home visitor.

You'll leave this interactive workshop knowing how to use the *Partners* curriculum to:

- ★ Plan effective home visits.
- ★ Teach parents ways to facilitate their child's development.
- ★ Model parenting skills that support optimal bonding, attachment, & responsive caregiving.
- ★ Promote healthy birth outcomes.
- ★ Detect early signs of health or developmental problems.
- ★ More easily address topics that may be difficult to discuss.

Learn how to support your families and achieve program goals using the research-based, practice-informed *Partners for a Healthy Baby* curriculum.
