

Partners for a Healthy Baby Workshop for Home Visitors

Learn how to support your families and achieve program goals using the research-based *Partners for a Healthy Baby* curriculum.

- ♥ Plan effective home visits.
- ♥ Promote healthy birth outcomes.
- ♥ Support parenting skills that promote optimal bonding, attachment, and responsive caregiving.
- ♥ Teach parents ways to facilitate their child's development.
- ♥ Detect early signs of health or developmental problems.
- ♥ More easily address topics that may be difficult to discuss.
