

Partners for a Healthy Baby Virtual Workshop for Home Visitors

Learn how to support your families and achieve program goals using the research-based *Partners for a Healthy Baby* curriculum.

- ♥ Plan effective home visits.
- ♥ Promote healthy birth outcomes.
- ♥ Support parenting skills that promote optimal bonding, attachment, and responsive caregiving.
- ♥ Teach parents ways to facilitate their child's development.
- ♥ Detect early signs of health or developmental problems.
- ♥ More easily address topics that may be difficult to discuss.

Training Dates & Times

March 3-4, 2021 • 9:00 am - 4:00 pm (EST) • Register by February 10th

March 10-11, 2021 • 9:00 am - 4:00 pm (PT) • Register by February 17th

April 6-7, 2021 • 9:00 am - 4:00 pm (EST) • Register by March 16th

April 13-14, 2021 • 9:00 am - 4:00 pm (PT) • Register by March 23rd

There will be morning/afternoon breaks and a 75 minute break for lunch.

Training Info & Fees

\$425 per person

Training fee does NOT include books. Each participant must have a full 4-book set of the *Partners* curriculum or access to the *Partners* digital curriculum for use during the workshop. Refunds will not be given in the event you have to cancel your registration. However, a credit for a future training will be issued.

Technical Info/Requirements

The training will be presented using Zoom. Zoom links will be sent to each participant prior to the training. Each participant must have access to wifi and a computer with speakers and webcam. This is not a 2-day webinar, it is an interactive training that is enhanced by participants being able to see one another. It is required that you share your video during the training.
