Partners for a Healthy Baby
Virtual Workshop for Home Visitors

Learn how to support your families and achieve program goals using the research-based Partners for a Healthy Baby curriculum.

❤️ Plan effective home visits.
❤️ Promote healthy birth outcomes.
❤️ Support parenting skills that promote optimal bonding, attachment, and responsive caregiving.
❤️ Teach parents ways to facilitate their child’s development.
❤️ Detect early signs of health or developmental problems.
❤️ More easily address topics that may be difficult to discuss.

Training Info & Fees

$425 per person

Training fee does NOT include books. Each participant must have a full 4-book set of the Partners curriculum or access to the Partners digital curriculum for use during the workshop. Refunds will not be given in the event you have to cancel your registration. However, a credit for a future training will be issued.

Technical Info/Requirements

The training will be presented using Zoom. Zoom links will be sent to each participant prior to the training. Each participant should have access to wifi and a computer with speakers and webcam. This is not a 2-day webinar. It is an interactive training that is enhanced by participants being able to see one another. It is required that you share your video during the training.
