Partners for a Healthy Baby
Virtual Workshop for Home Visitors

Learn how to support your families and achieve program goals using the research-based *Partners for a Healthy Baby* curriculum.

- Plan effective home visits.
- Promote healthy birth outcomes.
- Support parenting skills that promote optimal bonding, attachment, and responsive caregiving.
- Teach parents ways to facilitate their child’s development.
- Detect early signs of health or developmental problems.
- More easily address topics that may be difficult to discuss.

**Training Info & Fees**

$425 per person

**Training fee does NOT include books.** Each participant must have a full 4-book set of the *Partners* curriculum or access to the *Partners* digital curriculum for use during the workshop. Refunds will not be given in the event you have to cancel your registration. However, a credit for a future training will be issued.

**Technical Info/Requirements**

The training will be presented using Zoom. Zoom links will be sent to each participant prior to the training. Each participant must have access to wifi and a computer with speakers and webcam. This is not a 2-day webinar, it is an interactive training that is enhanced by participants being able to see one another. It is required that you share your video during the training.
